How to Earn RACE-Approved CE

You can earn RACE-approved CE for most of our sessions during Vet Show @ Home. Each eligible, live session is worth 1:00 hour of CE credit. To earn RACE-approved CE you must stay for the entire session while it is happening live. Our system is tracking your live attendance and minutes spent in which session, thus, you do not need to “check-in” anywhere on the site.*

Speakers will be engaging with you and answering questions through the chatbox located to the right of the session video. Although sessions will be available to watch on-demand until April 30th, you can only earn RACE-approved CE for sessions you attend during the live event.

The only sessions that are not RACE-Approved are:

- Yoga for Beginners
- Some Good News
- The Great Vet Team Bake Off

This is actually a topic in which we are focusing in PepsiCo. It was super useful to hear more of it and how to leverage data.

This was a great session. The concept of people analytics was new to me so I really enjoyed this.

Will be re watching. So much to absorb!

Always good to hear another take on Data Analytics

Great session!

The first presenter was awesome.

Being able to tell the story about learning with data is crucial for a learning professional to consult with the business.
